JADE LAND
翡翠島物業

CHIC, STYLISH, SOPHISTICATED

This lavish 5-bedroom duplex of 2,864 sq. ft. (gross) at the Mid-levels is possibly the most all-encompassing urban dream house for many buyers with ample natural light. It also enjoys enchanting waterfront and lush views, not to mention the building's very own clubhouse facilities. Please pay a visit from Central, great school network, unmatched decor.

LIVING IN THE BACKGROUNDS OF HONG KONG

Individual "Village Houses" are not only attractive to the natives of the New Territories but also expatriates and those who enjoy spaciousness, open view, serenity and proximity to nature. Dress up the interior to your taste and you will be able to enjoy one of the wonders in Sai Kung - modern urban living in a great neighbourhood.
